The parade which was a highlight of last year's Carnival will be headed by Ernie Bruce and his clown band.

Elgin MacDuff Accident Victim

On Monday, January 18, Elgin MacDuff of Gooderham, was working atop a load of logs in the vicinity of Kennessis Lake and in order to avoid what he thought might be a serious accident, he jumped from the top of the load breaking his leg in three places.

At present he is confined to his home with his leg in a cast where he will be for some time. As he had just purchased a new truck and figured to pay for same by a profitable winter's work, the accident comes at a bad time.

Top Junior Teams To Play At Minden Carnival

Hockey fans who will be attending the Minden Winter Carnival at Minden this week-end are in for some real fast hockey. On Saturday night at 8 p.m. the two top leaders in the Central Ontario Junior 'C' hockey league, Bobcaygeon and Lindsay, will be battling it out for sixty minutes of the finest hockey to be seen anywhere.

Anyone who has seen these two teams in action will tell you that this is one game that you don't want to miss. That's this Saturday night, January 30 at the Minden Arena.

On Sunday, January 31, there's more hockey when the high flying Haliburton Highlanders

will meet the Lindsay Juveniles at 3 p.m. The Highlanders, who have players from all parts of the County, have only lost one game this season.

Fur Sale To Be Held On Saturday

The Haliburton Trappers' Association are holding a Raw Fur Sale in the basement of the Orange Hall at Haliburton this Saturday, January 30. The Trappers' Association would like to extend an invitation to everyone to come out and see this sale in operation.

Haliburton Defeat Bobcaygeon

The Highlanders showed their strength Saturday night, January 23rd as they crushed Bobcaygeon to the score of 11-3 at the Minden Arena. Ron Cummings came up with another big night with four goals and two assists. Team captain Garry Gartshore grabbed two assists as the Haliburton defence boarded up the blue line. The forwards skated well and have become to work as a team, and if Ab's voice holds out we might have a hockey team.

Fred Sawyer and Marcel LaPage shared the goal chores and both turned in fine performances.

The boys have had only two home games and judging by the crowds, we believe the boys are going to be well received come play-off time.

The referees were Aubrey Gostlin and Paul Yearwood.

Weather Report

January 20th to 27th

Maximum temperature 34 degrees January 18th; Minimum temperature -18 degrees January 21st; Snowfall 15 inches; Snow on ground 20 inches.

William Cowan New Warden Of Haliburton County

MINDEN (ENS) — William Cowan, reeve of Stanhope Township for the past two years, was named warden of Haliburton Provisional County at the opening of the January session here Tuesday.

Reeve Cowan and Roy Brohm, Reeve of Haliburton, were the only two in the race for the warden's chair.

The Stanhope reeve has been on township council for the past seven years. He served as deputy reeve for two years before becoming reeve.

Stanhope had its last county warden in 1955 when C. P. Rogers held the position.

County council resumed its business session last week. It was expected a discussion of the county senior citizens' home would be high on the agenda.

Construction On Home At Minden To Commence Soon

Andeen Construction Company have been awarded the contract for the building of a new Senior Citizens' Home which will be built on a site overlooking the village of Minden.

Efforts to obtain a home for those who reach an age where they need care and the companionship of others has been underway for a long time. Such a residence is greatly needed in this county and we hope to see a start made on the project as soon as possible.

While the new home will not contain everything that the original committee had hoped for and will cost more money than anticipated, it will be quite adequate to supply the care and comfort required by those who have reached that time in life where they are unable to maintain themselves in their own homes.

To Charge Six

LINDSAY (ENS) — Provincial Police at Haliburton said recently that charges will be laid against six persons following a fracas at Harcourt Community Centre last Saturday. They said two of the persons are from Haliburton and the remainder from the Tory Hill - Gooderham area.

Congratulations

Mr. A. E. Wall, Vice-President in charge of sales for Confederation Life recently announced that Mr. Garnet O. Graham had won the honour of being the branch leader for the Peterborough Division for 1964.

Mr. Graham attained this achievement by being a member of the Company's Half-Million Dollar Producer Section.

HALIBURTON NEWS LETTER . . .

The Canadian National Railways have made a fine move in the interests of public safety in extending their yard limits to the second crossing at Haliburton. If we are informed correctly, this action will mean that trains coming and leaving the village in this area will be travelling at a speed not exceeding five miles per hour. If motorists approaching this crossing will limit their speed likewise, the chances of accidents will be very remote.

A fine spirit of Christian unity was displayed in Haliburton on Sunday morning when the members of St. George's Church joined those of the United Church for morning worship.

A faulty furnace made the holding services in the Anglican Church impossible and an invitation was extended to members to worship with the congregation of the United Church. The invitation was graciously accepted and the spirit of co-operation by the ministers, church officers and congregations is striking proof of the spirit of christian fellowship that exists in churches of this community.

We are informed that an effort is being made to re-organize the band of the Royal Canadian Legion Branch 129. We understand that the band will be one that will specialize in marching music, thus it will be capable of supplying a much needed in

this area. We will be keeping those interested in the revival of this organization with further information when it is received.

Our Canadian Legion has always rendered strong support to their band financial and otherwise, and they are prepared to do so in the future.

As we make ready to go to press we have just learned of the sudden passing of Coyle Bruce Downer who owned and operated a jewellery store in this village. The late Mr. Downer died on Sunday last at his home in Lakefield in his 58th year. Requiem Mass was held at St. Paul's Church, Lakefield on Wednesday. Interment took place in St. Peter's Cemetery.

Survival Of Animals

Conservation means to protect our animals, and extermination is to destroy them, and I am going to ask some of our Good People who are doing all they can to help to save the fast disappearing animals, which are going not by the hunters so much, as by other means not known to many of the people in and around this country.

As I have had many years in caring for such animals, also operated a mink ranch for many years, and was very successful. But I have to give some credit, and care given to me, by our Dept. of Game Dept.

Some years ago, around 1930, they established a Fur Experimental Farm at Kirkfield for the purpose of helping the fur farmer to be successful in his endeavour in raising fur. Their purpose was to centre on the right kind of feeding, sanitation, etc., also avoiding any contaminated feeds or putrid meats. I am happy to say that was one of the big issues in our success, and the Dept. of Game will verify.

This is why I am going to point out what we are up against. We have such places as the garbage disposals where these animals go to feed, and it is the right place for them, if we want to kill them all. It is a place of slow poison. These poor animals are going to die a slow painful death, and it will take an average of a few weeks before they will crawl away to die in the bush. That is worse than being shot, which is a fast death.

We hear of talk about rabies. If we do not do something about this awful condition, our country will soon all be affected. There is nothing worse than feeding putrid foods, and our dumps are nothing but that. I would like to have some of our Health Officials view those dumps this spring and make a report, which will no doubt surprise all of our good people.

I think it is time that we stop feeding garbage to our poor animals, which are diminishing very fast. Please take a look.

Yours truly,
A. M. FLEMING.

Ontario Society for Crippled Children takes pleasure in announcing their "Timmy" for 1965 will be Master Herbert Berzins, a ten-year-old Cerebral Palsy boy from Toronto, Ontario.

"Timmy" will be making his first official appearance to-day, January 28th, when he attends the Sports Celebrities Dinner at the Royal York Hotel in Toronto.

For the nineteenth consecutive year, a "Timmy" will be representing thousands of physically handicapped children in Ontario during the month-long Easter Seal Campaign which opens next March 18th with a provincial objective of \$1,000,000.00.

Bicroft Ratepayers' Association

An overflow, enthusiastic group crowded Cardiff School on January 6th to express their deep concern over the half million debentures left by the owners of the now defunct uranium mines, which are now hanging over the ratepayers of the Improvement District of Bicroft like the bubonic plague.

The president, J. K. Row, occupied the chair, and he spoke briefly on the debentures explaining that they could only be liquidated by the united efforts of the ratepayers. He further explained that all Government officials contacted to date, on behalf of the ratepayers, had agreed that the situation was highly reprehensible and should be remedied without delay.

The president and C. Anglin of the executive committee, reported on a trip to Haliburton to interview R. Glen Hodgson M.P.P. for Haliburton County who expressed deep concern about the tax situation in Cardiff Township, it was claimed, and he said that he would do all in his power to assist the ratepayers to get some form of relief from their tax burden. With this thought in mind, he had arranged a meeting in Toronto with the Honorable J. W. Spooner, Minister of Municipal Affairs, for Wednesday, January 27. The president said that he hoped to return with some concrete information because time, with retired folks is vitally important. The future is for the young, the president emphasized, we retired folks are more concerned with the present. Tax relief sometime in the vague future, for us, has no meaning. We need tax relief now!

Minden Lads Plead Guilty To Theft Of Cigarettes

MINDEN (ENS) — Two 16-year-old Minden youths pleaded guilty last Tuesday in magistrate's court to breaking, entering and theft of three cartons of cigarettes from the Haliburton Billiards pool hall in Haliburton.

The pair, Maurice Floyd Paull and Thomas Little, also pleaded guilty to theft of change from a soap dispensed in the Haliburton Laundromat. Police discovered the second offence in their investigation of the pool hall break-in.

REMAND FOR SENTENCE

Magistrate Ian Munro remanded Paull and Little until Feb. 16 for pre-sentence report.

Police evidence showed that the youths, accompanied by a juvenile broke the lock in the back door of the pool hall Dec. 13, a Sunday.

They took three cartons of cigarettes, several cases of soft drinks and some pop corn. The three took the "loot" to the near-

by millyard and divided it, "then we went home".

Paull and Little signed police statements that on a number of occasions between Sept. 1, 1964 and Jan. 10, 1965, the same trio walked into the all-night laundromat and got a key from a utility room for the coin box.

They said they used a thin flexible knife to force the latch on the room where the keys were kept. They opened the coin box on the soap dispenser — the same one each time — put the key back and locked everything up.

It was estimated they had collected at least \$16 since September.

NARROW PATH

On hearing that the boys had a juvenile record for petty thefts, Crown Attorney Lorne Jordan said it was about time they learned their lessons.

Magistrate Ian Munro told them to walk a "very narrow and cautious path" until they appeared before him next month.

Convict Man, Youth Of Gasoline Thefts

MINDEN (ENS) — A 26-year-old Minden man and his 16-year-old companion were convicted last Tuesday of theft of gasoline from a truck owned by Haliburton contractor, Philip Findlay.

Charles Lasier, the older of the two, was fined \$75 and costs or 30 days and Douglas Norman Lee, a high school student, was fined \$50 and costs or 15 days.

Police said Mr. Findlay caught Lasier and Lee "red-handed" while they were syphoning gas from the truck into a five gallon can on a back street in Haliburton. The offence took place Jan. 16.

LOST 40 GALLONS

Mr. Findlay told police he had lost about 40 gallons this way in recent months.

Magistrate Ian Munro said

trucks seem to be fair game for people who can't afford gas for their cars. "Gas is needed to operate a car and it seems to be quite the fashion to take fuel from somebody else if you don't have it," he said.

Police said the boys admitted planning to steal gas for Lasier's car.

Magistrate Munro said judging from the number of instances like this, a five-gallon can is standard equipment in cars these days.

He bound both accuseds over for one year to keep the peace. "This doesn't mean that you can't steal any more gas. It means that you can't do anything wrong and you'd better watch your step," he said.

He ordered them not to associate with each other for the period of the probation.

HO HUM, WAR IS HELL

Is there anything sillier than an old soldier? Wait a minute, Jack, I don't mean honest veterans like you and me, who fought our war, then forgave and forgot. No, I mean the professionals, and especially the generals.

My feelings toward the top brass were rekindled recently when General Omar Bradley took a swing from out in left field at General Montgomery, claiming Monty had been too slow and too scared to close the Falaise Gap when he should have. Twenty years after the event, the old boys are still bickering.

I didn't blame Bradley much. Montgomery has been blaming every other general, ever since the war ended, for everything that went wrong. Apparently he was the only big shot who was always right.

And that reminds me of the silliest thing Montgomery ever said. It was a few years ago, during an interview. It was to the effect that he likes to see soldiers soaking wet, hungry, filthy and exhausted. Then he knows they have been soldiering. That sort of poppycock is fairly typical of the intelligence of a general.

This may have been true during the Kaiser's war. Old sweat of that one knew all about dirt, wet, lice, slim rations and exhaustion. But their troubles were all physical ones: being blown up, or sniped, or caught on the barbed wire, or gassed, or eaten alive by rats. They didn't face the psychological horrors of my war.

It was sheer hell, at times, for us pilots, especially if we were officers. Even today, after two decades trying to heal the scars, memory of those ordeals sends a cold shudder through me.

Sometimes, for example, the batman would forget to put sugar in the morning tea he brought when he awakened you. But you never complained. You drank it down stoically, without a whimper.

Another experience that left

its mark on many of us was the time they took the batmen off altogether and substituted WAAFs for them. Some of the chaps were totally unnerved to be awakened in the morning by a chubby little air-woman, cooing "ere's your tea, luv. Drink it up while it's 'ot."

Some of the other hardships we endured can scarcely be recounted in a family journal. One aerodrome at which I had the incredible bad luck to be stationed in England was eight miles from the nearest pub, and the only way to get there was by bicycle. Match that for inhuman conditions.

But that's the sort of thing we went through, and those of us who survived were prematurely aged by the pitiless circumstances under which we strove to ensure there'd always be an England. Seared in my brain forever is one horrible day we were drafted by a brutal group captain to play rugger the morning after a farewell party in the sergeant's mess. Rugger is a peculiar British game in which you never stomp a man in the face until he is down, and only then if you can't stomp him in the stomach.

Another painful memory is that of fat senior officers standing with their backsides to the fireplace, while we junior officers, shut off from the only heat in the place, shivered miserably around the bar.

Old sweats talk about marching 300 miles in ten days. They don't realize what we went through on those trains in England. Sometimes we officers, even though we had first-class tickets, had to ride in the third-class coaches with all those rude, nasty soldiers and sailors and things.

Looking back, I can't help but marvel at the way we faced up to the hardships of those grim days, without a murmur. But it was war, and we were true-blue. Except in the mornings, when we were a little green around the gills. That's when they'd give you a kipper for breakfast. Hardships? I could write a book.

GOODERHAM

SHATROW — WOODCOCK

A pretty wedding was solemnized on Saturday afternoon, January 16th, 1965 at Bancroft United Church when Shirley, youngest daughter of Mr. and Mrs. David Woodcock of Tory Hill, was united in marriage to Carl, son of Mr. and Mrs. Shatrow of Bancroft.

Rev. Henry A. Hunge officiated. The bride was charming in a full-length gown of white satin and lace. Her finger-tip veil was held in place by a pretty headress. She carried a bouquet of pink carnations with fern.

The bridesmaid, Miss Beverly Shatrow of Bancroft, chose a pretty blue chiffon over silk waltz-length gown and carried pink carnations and lily of the valley.

Assisting the groom was Mr. Gerald Kellar of Oshawa.

A reception was held at the home of the groom's parents. Mrs. Woodcock, mother of the bride, received in a blue silk dress with white carnations while the groom's mother chose a pink with white carnations.

Attending the wedding were immediate relatives and friends. The young couple have the best wishes of the community.

Mrs. G. W. Barr, president of the U.C.W. of Gooderham United Church, attended the Annual Meeting held at Cannington on Wednesday. While at one of the sessions, she sang a solo entitled "No Night There".

The Friendship Circle was held at the home of Mrs. Aldridge Hunter on Thursday afternoon. The ladies brought their knitting, mending, crocheting, etc. and enjoyed a social time. Lunch was served. Mrs. H. Winder has invited the ladies for the February meeting.

Mr. and Mrs. C. H. Irwin of Carnarvon showed a film of the Holy Land in the United Church on Friday evening.

Sympathy is extended to the family and relatives of Mr. Harvey Rose, well known in the village, who recently passed away in Markham.

While returning from Toronto on Sunday evening, the Barrs met with an accident when their car skidded at the foot of a hill. Fortunately none of the occupants were hurt but the car was damaged when it struck a hydro pole.

Communion was observed at Tory Hill when Rev. Petrie of Haliburton conducted the service. Owing to this the morning service here on Sunday morning was cancelled.

Tribute To Churchill

(Intended for Last Week)

"The Old Man" —
"Man of The Century"

Super Human: Soldier, Statesman,
Orator, Author, Painter,
Sportsman . . .

"We will never surrender!",
Winston Churchill proclaimed,
and, in words of blazing defiance,
he fired the hearts of his
countrymen and the entire free
world.

In 1940, Winston Churchill
did, by himself, turn the tide
of history. His broad, rugged
John Bull shoulders held the
sky suspended. He saved his
country and the cause of human
freedom.

Although medical bulletins on
the condition of Sir Winston
Churchill, after his recent stroke,
seem to predict a painless, peace-
ful passing for Britain's Beloved
Old Hero, many feel that the
Old Warrior is battling every
inch of the way — even against
sedation and other drugs of to-
day's medical science.

Tennyson's lovely lines are
recalled:

Sunset and evening star,
And one clear call for me;

And may there be no moaning
of the bar
When I put out to sea.

Battle on, Winnie, in your
own rugged way as your under-
standing, courageous wife, Clem-
entine, also would wish! When
your final summons comes, the
whole wide world will mourn
properly - sincerely . . . proudly:

"In War, Resolution; in Defeat,
Defiance; in Victory, Magna-
nimity; in Peace, Good Will."
(Churchillian)

It will be comforting to picture
Dear Old Winston Churchill
during the Coronation Ceremony
of his beloved young Princess
Elizabeth. In his colourful attire
for the spectacular pageantry,
the delightfully dignified, dra-
matic Old Gentleman appeared
at the proper time. As Warden
of the Cinque Ports then, the
famous stocky figure with its
characteristic forward thrust and
a heavenly awareness of the
Historic Occasion, radiant on
his bow, Winston Churchill sail-
ed in like an old ship of the line.

Current Events 1964

Minden is still the prettiest little village I have ever seen, and I have seen quite a few. Also sports-minded and fair in sports. We had a very successful winter carnival with a handsome queen. Quite a lot of people came to enjoy our sports and beautiful country.

We are having a lot of trouble with low water these last two years. Hope something can be done about it. We have a fine new Municipal building and the new store on Main St. is something to see, and adds a lot to a small place like Minden. With our tourist trade and so many cottages on the lakes we need the nice stores.

The call for cottages was very good last summer and not so good for the lodges. Weather was too hot in June and July and too cold in August.

Our hockey club sort of fell apart last year; did not go on to the finals though we won as far as the boys wanted to go, I believe.

The Junior boys did very well too. Minden Curling Club have been doing very well; have a fine rink with good ice and a bonspiel in the summer as well.

We have a fine Boy Scout Troop; it was nice to see them in church with flags and trappings.

Our new water system seems to have a few 'bugs', but they will be ironed out, I am sure.

With the river so low in the winter, we surely had to do

something drastic. Am sure the low water does not affect the town supply.

Had a bad fire in the Oasis Restaurant, but as no one was injured, it could have been worse.

I thought the summer carnival a bit tame to some we have had. The Fair made up for a lot, was a fine day, large crowd, a fine lot of exhibits with lots of prizes, and a fine place to see old friends.

We have so little snow for Christmas. The first really green one I remember in this county and it lasted till almost the New Year.

Some tried a little plowing, but think that was going too far. As usual the Christmas decorations were grand.

We, I believe, are going to have a Senior Citizen's Home; something needed badly. There has been a lot of talk, now hope they do some work on it.

We have lost Lawrence Pritchard after so long on Council and as Reeve. He always could find a good word for the hockey teams, etc.

Our roads are kept in good condition as they have been for some years. We really have a lot to be thankful for in this wonderful country.

WEDDINGS

STOUGHTON — CAMERON

On Saturday, November 21st, 1964, a pretty wedding took place in St. Margaret's Anglican Church, Wilberforce, when Sally Margaret Cameron, daughter of Mr. and Mrs. Keith Cameron of Wilberforce, was united in holy matrimony to Gary Smith Stoughton, son of the late Mr. and Mrs. Stanley Stoughton of Harcourt.

The ceremony was performed by the Rev. R. Carder of Haliburton.

The church was decorated with palms and ferns and white baby mums adorned the altar.

The bride, given in marriage by her father, was dressed in a white bouffant, princess style lace and net gown, with fine pleating on the tiers of the full skirt. The bodice was of chantilly lace with a scalloped bateau neckline studded with seed pearls and sequins, and styled with lily-point sleeves. Her veil was a pill-box crown with a bow studded with brilliants, from which flowed shoulder length nylon tulle. She carried a cascade bouquet of red roses.

The maid of honour was Miss Susan Cameron, sister of the bride, and the bridesmaids were Miss Roberta Bidgood and Miss Sharon Warren. They were dressed alike in short blue dresses of faille taffeta, with overskirts of nylon, and lace bodice with scalloped neckline. Their headpieces were of net with velvet bows. They carried bouquets of white mums and carnations.

The best man was Mr. Wayne Stoughton, brother of the groom, and the ushers were Mr. Byron Bain and Mr. Bryan Stoughton, younger brother of the groom.

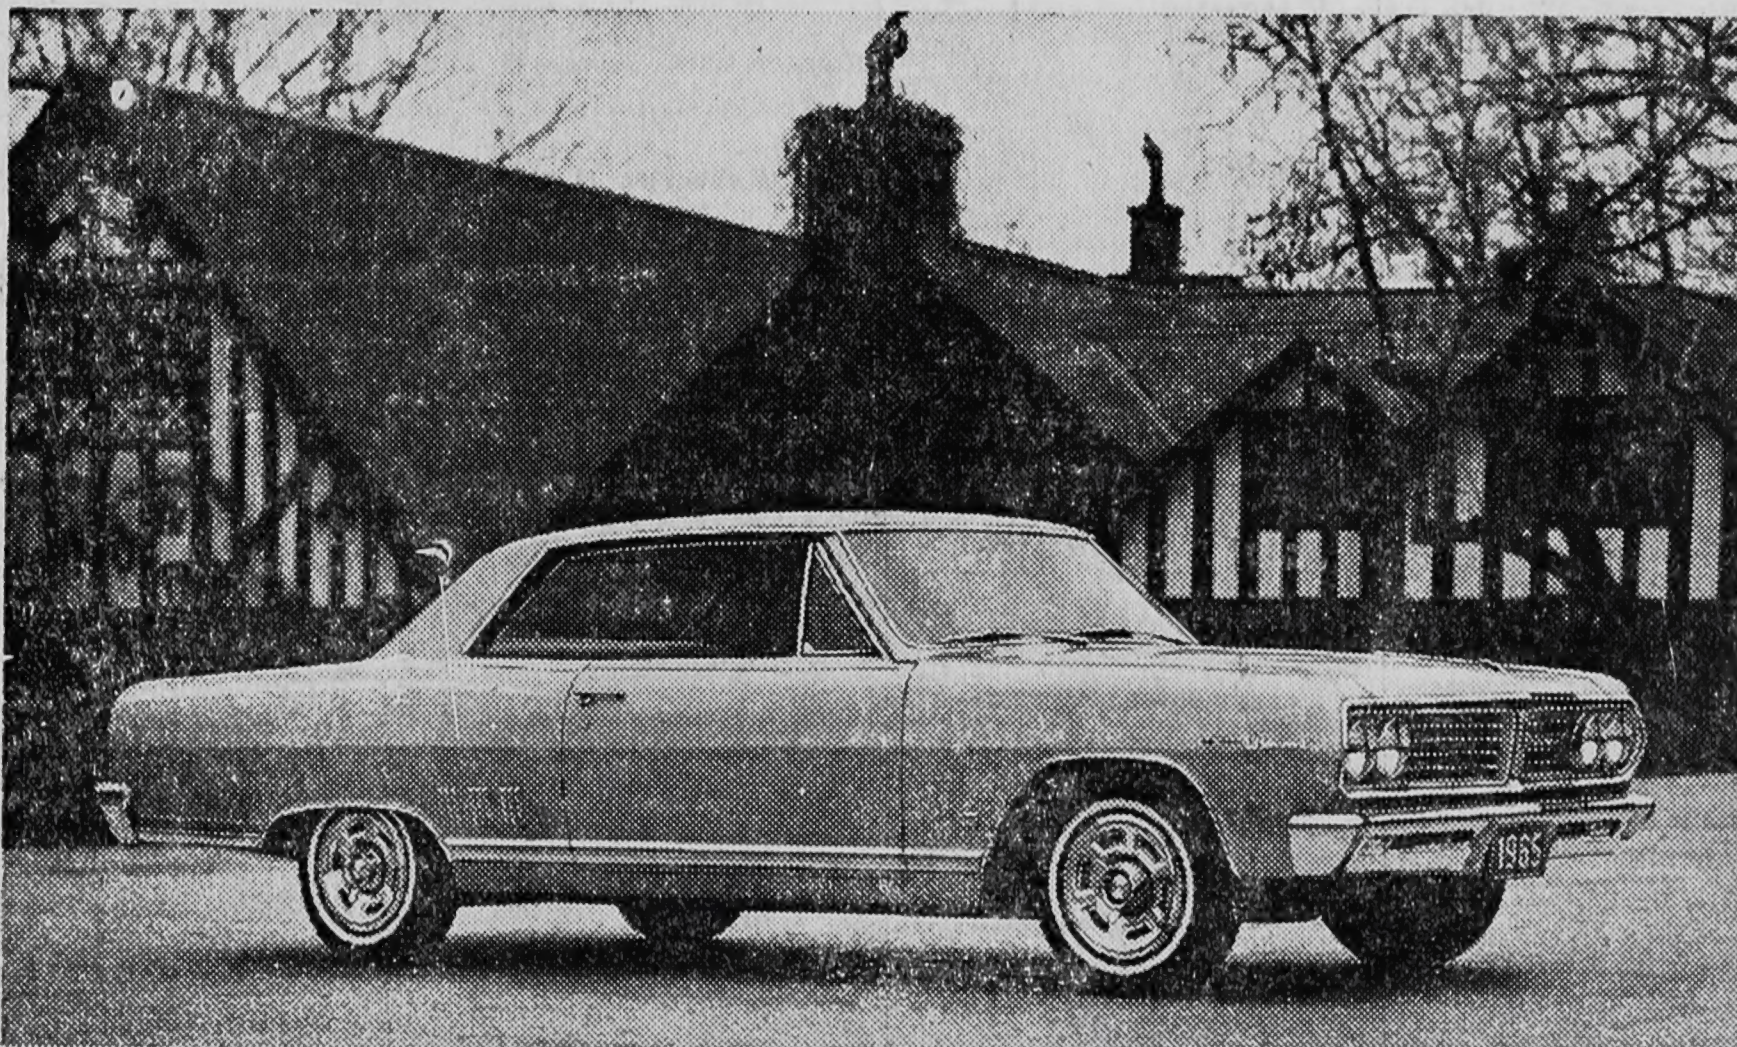

The ring bearer was Master Gerry Solmes, nephew of the bride.

The wedding music was played by Miss Janet Simms and the soloist was Mrs. R. Simms who sang "The Voice that Breathed O'er Eden" and "O Perfect Love".

Following the wedding, a reception was held at the Community Hall at Harcourt. The bride's mother received in a gold brocade dress with brown accessories and corsage of pink roses. The groom's aunt, Mrs. Gordon Stoughton, assisted in an American Beauty two-piece, double knit dress with white accessories and corsage of white carnations.

For going away the bride wore a pale yellow two-piece wool suit with black accessories. Her corsage was of red roses. The happy couple left on a short trip to Southern Ontario.

Out of town guests were from Searchmont, Oakville, Toronto, Lindsay, Peterborough, Milverton, Baden, Sunderland, Mitchell, Prescott, Harcourt and Bancroft.

A GENERAL MOTORS VALUE

Beaumont Sport Deluxe Coupe

'65 Beaumont is a genuine, honest-to-goodness low-price car
(It costs much, much less than its luxurious looks suggest)

'65 Beaumont is sized right in the middle between big and little
(It'll fit your garage and park with ease)

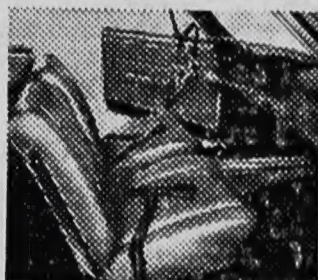

'65 Beaumont is beautifully styled and luxuriously appointed
(Just look. Now you see why most people think it's higher priced)

'65 Beaumont is made by General Motors
(So you know it's packed with all kinds of value)

'65 Beaumont is sold by your Beaumont-Pontiac-Buick dealer's
(He's a good reliable man to do business with)

'65 Beaumont is a very remarkable car indeed . . . big enough inside to take mom, dad and a gaggle of small fry . . . yet small enough to shoehorn into the tightest parking spot. It has the kind of headturning beauty that gathers a crowd, yet it's responsive and agile as a hard-muscled sportscar. And you can pack it with exactly the 6-cylinder or V8 power you like for your kind of driving. There are 12 models in 4 series . . . including 3 completely different convertibles. All of which proves quite conclusively that '65 Beaumont would make a remarkably good choice for your next automobile.

IN MEMORIAM

BARRY — In memory of Ross Barry, who passed away on January 1st, 1960.

Some day we hope to meet again,
Some day, we know not when;
To clasp his hand in the better land,

Never to part again.

—Ever remembered by Father, Mother and Brothers.

DAVIS — In loving memory of a dearly beloved grandfather, George Davis, who passed away on January 23, 1963.

Remembrance is a golden chain
Death tries to break, but all in vain;

To have, to love, and then to part,

Is the greatest sorrow of one's heart.

The years may wipe out many things,

But this they wipe out never:
The memory of those happy days
When we were all together.

—Ever remembered by Bill and Freda.

HAMILTON — In loving memory of a dear husband and father, Thomas William Hamilton, who passed away January 31, 1962.

There is a link death cannot sever,
Love and remembrance last forever.

—Ever remembered by wife Eunice and Family.

McELWAIN — In loving memory of a dear mother and grandmother, Ada Marion, who passed away January 24, 1948. In our hearts your memory lingers,

Always tender, fond and true;
There's not a day, dear Mother,
We do not think of you.

—Sadly missed by the Family.

ROBERTSON — In loving memory of our dear father, who passed away January 29, 1957. Nothing can ever take away
The love a heart holds dear;
Fond memories linger every day,
Remembrance keeps him near.
—Ever remembered by Mary, Douglas, Murray, Evelyn and families.

SCHROTER — In loving memory of a dear husband, Bert E. Schroter, who passed away January 30, 1964.

Alone, yet never quite alone,
I face an empty chair;
But some time in the silence,
I imagine he is there.

My companion for so many years,
No longer here with me;
And yet in some mysterious way,
He keeps me company.

—Ever remembered by loving wife Lottie.

SCHROTER — In loving memory of a dear father and grandfather, Bert Schroter, who passed away January 30, 1964. A year has passed since that sad day,

When one we loved was called away;

God took him home, it was His will,
Within our hearts he veth still.

—Ever remembered by son Roy, Berniece and children.

SCHROTER — In memory of Clifford Schroter, who passed away February 7, 1961.

Dear Daddy,

How ever long our lives may last,
Whatever lands we view;

Whatever joy or grief be ours,
We will always think of you.

—Lovingly remembered by Candie and Emily.

Haliburton Highlanders Trounce Lindsay 10 - 3

The Highlanders continued on their winning way, as they beat Lindsay by a big margin. Ron Cummings, "the work horse", came up with another one of his fine efforts with three goals. Just an average night's work for Ron.

The game was all sewed up in the second period when the boys came up with four goals in the space of two minutes, which

is a good indication of how these boys can play. Other goals were netted by Larry Sawyer, Brian Black and Ron Stackhouse with two each and Dan Roberts with one.

These games are sometimes and all too often marred by players, not always ours, using their sticks for spears, their elbows and kicking the boards with their skates like a child in

a tantrum. Now, most hockey viewers like to see body contact, but they want it clean, with sticks, elbows and knees at the right angle to the ice and out in the open where an opposing player has a chance to defend himself. That way we are not depriving some player of an opportunity to play all winter and maybe a lifetime. So keep it honest boys, and keep up the good work.

HOCKEY NOTES

The open air rink at the Rotary Beach at Haliburton is the scene of much activity these days. Besides skating, some of the local minor hockey league teams are working out here.

The Haliburton Juvenile Highlanders are still winning hockey games and they have suffered only one loss so far this season. They defeated Bobcaygeon 11-3 on Saturday night in Minden.

Still no word from Minden on the prospects of an Intermediate hockey team for this year.

Jim Scheffee, Mike Jackson and Paul Yearwood are still burning up ice for the Lindsay Juniors.

The Lindsay Junior 'C' hockey club have started their Round Robin play-offs with Newmarket and Aurora. The winner will go on into the Junior 'C' O.H.A. Play-offs.

Bobcaygeon Rink Wins Ladies Spiel

A rink skipped by Mrs. Madeleine Thibadeau of Bobcaygeon won the Ladies' one day Bonspiel held at the Haliburton Curling Rink on Tuesday. 12 rinks competed in the spiel.

2nd prize - Mrs. Broom of Lindsay with 3 wins; 3rd prize - Mrs. Shirley Brandon of Minden with 2 wins high score; 4th prize - Mrs. Dorene Elstone of Haliburton with 2 wins high score; 5th prize - Mrs. Graves of Cardiff with 1 win.

Highlanders Tie Fenelon

"The mighty met their match." The Highlanders walked into the Fenelon Falls Arena like the cat that swallowed the canary, and by the end of the first period they had to produce the canary. Fenelon looked like they wanted a canary too, as a leaky defence and some forwards who forgot how to backcheck let Fenelon waltz right in on our goal, but for the work of our goaltender, who played a good game, the score could have been worse.

Goals were scored by L. Sawyer from Hewitt and Cummings, and Hewitt from Cummings, with Neil Hewitt being the best player of the night for Coach LaRue.

The game was played in Fenelon Falls on Monday night.

Rotary News

The Haliburton Rotary Club held their weekly meeting at the United Church on Thursday night last. Four members were absent and no guests present.

After a rousing sing song led by Frank McIntyre, the business session got underway.

Secretary Jack Robertson read the minutes of the last Board of Directors meeting.

President Joe Hes reminded the members of the District Conference which will be held at Noranda Rouyon.

In the past two meetings, only two members have not made up, so it looks as if we are in for another good month of attendance in January.

Harold Proctor once again reminded the members to get their pictures in so that they may be sent to the Rotary Club in France.

Homer Brown, local C.N.R. agent, sent a film along in which it was shown to the club. The name of the film was "It's a Wonderful World".

Church News

ST. PETER'S W.A.

The January meeting of St. Peter's W.A. was held on the 13th at the home of Mrs. Cecil Johnston. There were 12 members present.

The meeting opened with a devotional period, followed by the treasurer's and social service secretary's annual reports.

Thank you cards were read and plans made for the coming year. These included the consideration of new carpet for the Chancel and steps and a bazaar and sale of home baking in the summer.

The next meeting will be held at the home of Mrs. Lawrence Harrison on February 10th. The meeting was closed with prayer. A delicious lunch was served following the meeting.

Predict Counties' CAS To Combine This Year

LINDSAY (ENS) — Amalgamation of the Victoria-Haliburton Counties Children's Aid Society with Peterborough was forecast last Wednesday by Mariposa Township reeve Roy Morrison.

Reeve Morrison told Victoria County council that he expects the amalgamation will take effect this year. He said meetings are being held to discuss the merger "and I am sure it will become a reality this year."

The reeve, long-time council representative on the CAS board of directors, said he has travelled to Peterborough to attend meetings regarding the amalgamation and has asked that he be reimbursed by the county for his mileage.

Warden Cammack recalled that when he broached the subject of reimbursement last year "this

council flatly rejected the idea."

He said he has been a county representative on the Lindsay Central Exhibition board for five years and has always paid his own mileage. He suggested that if council considers allowing mileage payments for Reeve Morrison, all members serving on such boards should receive payment.

Deputy Reeve Coad said that no members should be out-of-pocket when attending functions on behalf of the county.

"It's opening up quite a field," said Woodville reeve Jack Campbell. He recalled that as chairman of the county parks committee he regularly visits Bolsover Park, "but I never ask for mileage."

"Forget it, I am sorry I mentioned it," said Reeve Morrison.

Man Started Fire Without Permit

MINDEN (ENS) — A Toronto man, John Dumford, was fined \$25 and \$35 costs Tuesday after he pleaded guilty and was convicted of setting a fire during fire season without a permit.

The charge was reduced from one of failing to take all reasonable precautions in extinguishing a fire.

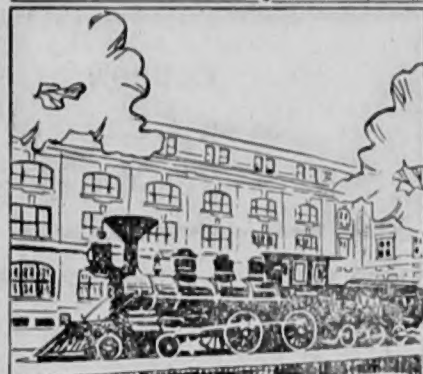

Police said flames from a brush fire in a government cottage tract on Esson Lake, Monmouth Township, spread to the surrounding woods. It cost about \$300 to have the fire put out.

Evidence showed Dumford had asked his neighbour, who was also burning brush, if he had a permit and then went ahead and lit fires of his own.

Police could not determine which of several fires along the shoreline had actually started the forest fire.
